🎄 December News from Oakmead Dental Care! 🦷

Shine Bright This Christmas! ✨

Get ready for the festive season with a dazzling smile!

We are thrilled to launch a very Christmassy offer on our professional teeth whitening service:

£100 OFF Teeth Whitening

Offer Period: 1st - 31st December 2025

How to Claim: Your whitening appointment must be booked in December to qualify for this special price.

Please Note: To ensure whitening is safe and effective for you, you must be deemed dentally fit. This means you need to have had a dental examination with us within the last year, or recent X-rays for our dentists to assess your oral health.

👋 Welcome to the Team: Our New Hygienist!

We are excited to introduce our new Dental Hygienist, Eve, who will be joining the team on Monday, January 6th, 2026!

Eve will be working on Tuesdays to cover Karen's hours. As of January, our current hygienist, Karen, will be adjusting her schedule to work Thursdays and Fridays only. This change allows us to maintain excellent hygiene availability for all our patients!

👨👩 Enhanced NHS Children's Services

We have completed a recent overhaul of our NHS children's services!

Starting December 1st, you can expect a better, more comprehensive service designed to give our youngest patients the best start to their oral health journey. Ask our team for more details at your next visit!

🛍️ Now Stocking Dental Products!

For your convenience, we are now offering a greater variety of high-quality dental products right here at the practice.

The next time you need specialist mouthwash, dental floss, or interdental brushes, you can easily pick them up at your next appointment!
