February 2026

Hello to all our wonderful patients!

As we shake off the winter frost, we have some incredibly exciting updates to share with you here at Oakmead Dental Care – Chislehurst. From accessibility milestones to new faces and exclusive events, there is plenty happening this spring.

Making Strides: 4/5 in Accessibility Audit

We are proud to announce that we recently completed an accessibility audit with Snowball, and we achieved a fantastic score of 4 out of 5! While we are thrilled with this result, we aren't stopping there. Our goal is to hit that perfect 5/5 by the end of next year. You can find more details about our accessibility features on our website.

Love is in the air (and in your smile!). For the entire month of February, we are offering £100 off teeth whitening treatments. Treat yourself or a loved one to a brighter look this month.

Practice Updates

The Opticians: Please note that the opticians have temporarily paused their services for the next couple of weeks. If you have any questions, feel free to ask our reception team. We will update you as soon as we have more information.

Housekeeping: Staying Up to Date

Automatic Rebooking: To make life easier, our system automatically rebooks your exam and hygiene appointments for 3, 6, or 12 months. You will receive a notification 2–3 weeks in advance. If the time doesn't work for you, just let us know and we'll move it!

Medical History: We require a medical history update every 6 months. You'll receive a link via email/text to complete this before you arrive. If you're unable to do it at home, please arrive 5–10 minutes early and our team will help you on-site.

Have questions or ready to book? Give our friendly reception team a call today. We look forward to seeing you soon!
