## The Chislehurst Smile - November 2025

### November News from Oakmead Dental Care

Dear valued patients,

Exciting Practice Updates!

We've been working hard to bring you even better care and service this November, with updates spanning from new clinical services to how you can share the Oakmead experience with friends.

### Introducing Our New Refer-a-Friend Scheme!

We believe that the greatest compliment you can give us is referring a friend or family member. To show our gratitude, we're launching a brand new referral scheme!

How it Works: If you refer a friend or family member to Oakmead Dental Care, and they attend their initial appointment, we will send you a £50 Amazon Voucher as a thank you!

Share the smile and get rewarded!

### Enhanced New Patient Examination

We've upgraded our first-time visit experience to be more comprehensive than ever before. This exam is for anyone who is new to the practice or who hasn't seen us within the last 24 months.

Your 45-minute New Patient Exam will now include:

A thorough 45-minute clinical examination

Two small X-rays

Clinical Photos

A 3D Scan of your teeth and mouth

An OPG (full mouth X-ray) if clinically necessary

This detailed assessment ensures we have a complete picture of your oral health right from the start.

## Specialist Care is Now Available!

We are thrilled to welcome new team members who bring a wealth of specialised experience to the practice, ensuring you have access to the highest level of care right here at Oakmead.

You can now book appointments with our new Periodontist, Neha (gum specialist) and Endodontist, Duncan (root canal specialist interest).

This expansion gives you direct access to both specialist and special interest dentistry, allowing us to treat more complex cases in-house.

## Simplified Rebooking and Future Appointments

To make managing your routine check-ups easier, we want to remind you of our automatic rebooking system.

Once your current appointment is complete, our system will automatically rebook your next scheduled check-up or hygiene visit.

Don't worry—these appointments are not set in stone and can be easily moved if the date or time doesn't suit you!

## Our New Website is Live!

We've refreshed our online home with a modern look and easy-to-use navigation. Please take a moment to explore all the new features, learn about our team, and check out our services!

Visit us here: [oakmeaddentalcare.com](https://oakmeaddentalcare.com)

## Supporting Our Community: Homeless Session

We are proud to continue our service providing dental care to those experiencing homelessness.

Our next session is on November 16th.

This date marks three months since we began supplying this essential service to our community—thank you for helping us make this possible.

## Our New Payment Options!

We now offer 0% finance at the practice upto 24 months. Please come and speak to our incredible reception staff to find out more. \*Finance is available from £1000

We look forward to seeing you at the practice soon!
